

The Salt Point: A Novel (Stonewall Inn Editions (Paperback))

From the award-winning author of *The Coming Storm* comes the brilliantly conceived and precisely rendered novel *The Salt Point*, which explores the lives of four people—Anatole, Leigh, Chris, and Lydia—and their intermingled and unwinding desires. Set in a Poughkeepsie mall, the Main Street to a new generation, the novel follows these characters as they achieve their oddly triumphant lives redolent with loss and hope, humor and sadness, union and alienation. As promises are diminished and futures are abandoned, all four are hurtled toward that place in which everything is transmuted—the salt point.
