

Ilario: The Stone Golem (Ilario, A Story of the First History)

The dramatic conclusion to Ilario: The Lions Eye! Fleeing a surprise treacherous murder attempt, the former Kings Freak and would-be painter Ilario has run to Carthage, the city-state under perpetual darkness, in search of freedom. But strange plots are afoot, and a tenuous, complicated alliance with a bookseller-turned-spy will lead Ilario from the shrouded land into tense negotiations and intrigues in seductive, mercurial Venice, from a fraught return to Iberia to a final confrontation with family . . . and destiny.
