

The Villa of the Papyri at Herculaneum: Archaeology, Reception, and Digital Reconstruction (Sozomena)

The Villa of the Papyri is a unique archaeological site and has been very influential in the field of classical studies. The papyri and bronze sculptures found in the villa have contributed to our knowledge of the ancient world. This volume presents contributions on the Villas architecture, decoration, and content; their reception since the 18th century; the current state of knowledge; and a discussion on the use of digital models.
