

Power in the Blood

On the face of things, it looks like murder. When curious children discover a human skull in a sinkhole, forensic sculptor Lettie Sue Wolfe begins a quest that will lead her into the gravest danger. After reconstructing the face of the deceased, she is shocked to find the face of her childhood friend's sister, who disappeared thirty years earlier. Lettie decides to investigate and uncovers some unsavory secrets about local residents. Things go from bad to worse when Lettie hires a private investigator, and soon both are wondering if they too will end up in a sinkhole. For those who love forensic mysteries, *Power in the Blood* is a riveting whodunit with a supernatural twist.

? eXTReMe Tracker Personal Strength: Evolution Pro-Ana has Evolved. Ps-Evolution is a Pro Ana/Pro-Ana/ C.R.O.N.
