

This Private Plot: An Oliver Swithin Mystery (Oliver Swithin Mysteries)

If a blackmail letter drives a man to suicide, is the sender guilty of murder? Yes, says Oliver Swithin, author of bestselling Finsbury the Ferret childrens stories and amateur sleuth, who is on holiday in an ancient village. A midnight streak with his naked girlfriend? Scotland Yards Effie Strongitham? abruptly ends in the discovery of a corpse. Retired radiobroadcaster Dennis Breedlove has hanged himself from the old gibbet. Evidence suggests blackmail may have driven this celebrity to suicide. Irresistibly intrigued, Oliver believes discovering the dead mans secret will lead to the identity of the blackmailer. But in Britain today, when shame is a ticket to fame, why suicide? What if it wasnt? When the mystery abruptly turns inside out, black-clad strangers attack Oliver in the night. The Vicar behaves strangely. So do the villages five unmarried Bennet sisters, a mysterious monk, the persistent, self-effacing Underwood Tooth, and Olivers Uncle Tim, Effies superior at the Yard and a part-time Shakespearean actor. Plus Olivers aunt and his mother. Who else might play a role in This Private Plot? Two William Shakespeares? Its time to put the laugh back into slaughter with the long-awaited third chapter in the career of Oliver Swithin. Yet under the clever wordplay and bawdy jokes lies an inventive and, yes, scholarly plot.
