

Flagrant Three

Death threats. Murder. Terms not normally associated with the Final Four, but for a Cinderella basketball team from South Carolina, they become their toughest opponent. When Malik Farquhar the country's best college player disappears, Tucker McGill is called in to find him before both become victims in the complex web of a psychopath. A search vexed by mysterious messages links the college, the NCAA, and network media before unexplained deaths draw frenzied fans to the streets around the country. Surrounded by FBI agents, the Atlanta Police Department, Aiken County deputies, and liars that have him doubting his own instincts, Tucker unravels the motives of a mastermind with a secret past and exposes a most amazing plot which has the search team hunting their own. Flagrant Three is a seasonal sports thriller that drives the madness of March to a peak when it changes the what if to the what now as the clock ticks Cinderella closer to game time or game over.
