

The Kinky Doctors Group Session: Medical BDSM (The Bondage Doctor Returns Book 2)

Carol has a real problem revealing her sexual nature around others, and even the kinky doctors special sessions aren't helping her like they should. Unwilling to give up on her, the doctor arranges for a weekend group session with two other patients who were in a similar situation to her. Along with his nurse and personal assistant, he brings the girls back to his place for a long, hard, deep, and penetrating group session that'll change the way they think about sex forever.
