

VOLUME II: Echelon

The surviving humans of the world have been enlightened to supernatural existence among them as an unexplained darkness covers the Earth. Humans, angels, demons, and gods, must all come together to defeat the unknown enemy controlling the never ending night. With the help of the Disciples, Hellions, and a whole lot of faith, Las Vegas journalist, Atiana Halifax continues her visual journey through the turbulent past of billionaire playboy, and celebrity, Bastian James Faust, in search of the answer needed to ensure they succeed. The pages of the Volume seem endless as Atiana wades deeper through the memories of the infamous mogul, witnessing first-hand what molds a man into a monster. The answer to stopping the darkness is what Atiana seeks, but new questions arise when she finds herself slowly becoming entangled within Bastian James sultry lifestyle, and intricate web of mystery. Trust no one, especially those closest to you. The war has begun, and the battle cries have been sung by all sides. Can mankind and the supernatural population coexist and work together to defeat a common enemy, or will it succumb to death? The clock is ticking as the creatures traveling within the veil of night continue to rapidly thin out the existence of the human race. Manipulation, betrayal, sex, love, secrets, and sacrifice pave the path towards the end of days. No one is safe in this tale of hopes, dreams, and desires. Masks are removed, and the truth that lies beneath revealed. Volume I: Becoming Faust Also on sale now for a limited time. amazon.com/dp/B00KUG91H2
