

## Valley of the Shadow

A fast-paced dark fantasy, VALLEY OF THE SHADOW is a powerful variation of the classic battle between good and evil. The setting is the American Old West in the early 1880s, and most of the story takes place in a long forgotten town nestled in one of the many isolated valleys of the harsh and unforgiving high desert of the northern Great Basin. Four men whose lives have been divergently molded by the world around them—a preacher, a retired sheriff, a bounty hunter and an outlaw—are brought together for a task none of them could have ever imagined to face an evil as old as time itself.
