

Wall of Faith

While growing up in Utah, James Williams always knew he was expected to serve a two year Mormon mission. Williams is called to serve in Mexico, though he doesn't speak Spanish yet. From the very beginning of his mission, Williams discovers that it is much more challenging than what he expected. A terrible accident in Mexico leads to Williams being locked up for over a month. The subsequent events lead Williams to question not only his reasons for going on a mission, but also why he believes in God. Wall of Faith is a compelling story of one young man's search to understand his faith even when that very faith is put to the test. Based on a true story.
